

## Nefertari British International School

03/10/09

Dear Parents and Students,

We are delighted to welcome you to the new academic year 2009-2010. We hope you have enjoyed your summer vacation. We are looking forward to meeting you all.

We have quite a few new teachers joining us this year. They come from near and far and have been working very hard to provide the students with an exciting and integrated programme based on the British Curriculum.

Let's have a wonderful start by:

- Establishing an early bedtime routine.
- Encouraging a healthy lifestyle.
- Developing good homework habits.
- Working closely with the school policy and procedures.

School begins at **7:30 am** and ends at **2:30 pm**. There will be opportunities for extra-curricular programme during the school day. Teachers have worked very hard to come up with interesting ideas that will provide our students with a variety of activities that supports their academics.

Due to the unusual circumstances of this year and to ensure the academic progress of our students, the school will be operating on **Saturdays from 7:15 pm until 12:45 pm** until further notification.

To facilitate communication between home and school and in case of any emergencies, parents are to ensure that the Health and Information forms, included in the Student's packet, are filled out completely and accurately and returned to the class teacher as soon as possible. Emails will be the only mean through which teachers will keep in contact with the students.

Parents are also highly encouraged to visit the school website during the coming period for announcements and updates [www.niscl.com](http://www.niscl.com). In case of any concerns or enquiries, do not hesitate to contact the school through email [nbisinfo@niscl.com](mailto:nbisinfo@niscl.com) or use the **Parents Corner** section on our website.

Please be advised that in case of suspected illness among the students, they will be immediately isolated and Parents will be called to come and collect their children as soon as possible. The students will **NOT** be accepted back to the school unless they have an official health certificate from the Health Insurance department.

May I take this opportunity to wish you all a very successful academic year.

Regards,

Neveen Kassem  
Nefertari British School Headmistress.
